Dream Team is a creative student team which helps in the events conducted for the university such as promotional videos, flyers, open days and other similar events. I work as a dream teamer in this team by helping on open days for prospective students, taking part in promotional videos and alike events, which help me advance my creative skills and social skills.

## **HOBBIES AND INTERESTS**

---

### **Coding**

I started being interested in IT Development at 14 years of age. Since then, I've always taken upon coding challenges and projects. Sometimes I get fully immersed in coding and forget about my basic needs :P

### **Reading**

I always enjoyed reading "self-help" books that cover interesting topics from reading body language to knowing how to prioritize things in life.
